It Really Does Matter Which Attorney You Choose.

AT LEVINSON AXELROD, WE RECENTLY celebrated our 70th anniversary of protecting the rights of accident victims. Over the years, we have earned the respect of both our clients and adversaries through aggressive representation, hard work and proven results. With offices located in Edison, Flemington, Somerville, Jamesburg, Belford, Howell and Forked River, we are there when and where our clients need us.

PRACTICE AREAS We specialize in the litigation of personal injury matters such as motor vehicle and fall-down accidents, medical and nursing home malpractice, construction site accidents, defective products and drugs and workers' compensation claims.

PURSUING EXCELLENCE Seven of our attorneys are named in this edition of *Super Lawyers*[®]. Eleven of our attorneys are certified by the Supreme Court

of New Jersey as either civil trial or workers' compensation attorneys, designations given to top litigators after rigorous testing, demonstration of trial expertise and recommendations from adversaries and judges.

WINNING RESULTS Throughout the past five years alone, we have recovered more than \$250 million in settlements and verdicts for our clients. We have not only the necessary skills and experience to properly handle your case, but the advantages that come with our size and resources. Add to that our seven convenient locations and dedication to personal service, and you will see that it really does matter which attorney you choose.
